This expression can be used either literally, as in She told the doctor to hurry as it was a matter of life and death, or hyperbolically, as in Don't worry about finishing on time-it's hardly a matter of life and death. First recorded in 1849, it alludes to such urgency that someone's life depends on it.

"A genuine whodunnit" (Kirkus Reviews)--Phillip Margolin, the master of the courtroom thriller, returns with A Matter of Life and Death, a classic mind-bending puzzle, as Attorney Robin Lockwood must face her most challenging case yet, with everything stacked against her client and death on the line. Joe Lattimore, homeless and trying desperately to provide for his young family, agrees to fight in a no-holds-barred illegal bout, only to have his opponent die. Lattimore now finds himself at the mercy of the fight's organizers who blackmail him into burglarizing a house. However, when he breaks in, he finds a murdered woman on the floor and the police have received an anonymous tip naming him the murderer. Robin Lockwood, an increasingly prominent young attorney and former MMA fighter, agrees to take on his defense. But the case is seemingly airtight—the murdered woman's husband, Judge Anthony Carasco, has an alibi and Lattimore's fingerprints are discovered at the scene. But everything about the case is too easy, too pat, and Lockwood is convinced that her client has been framed. The only problem is that she has no way of proving it and since this is a death case, if she fails then another innocent will die.

After the acclaimed indie film Save the Date and the bestselling all-ages humor book Darth Vader and Son, graphic novelist Jeffrey Brown (Clumsy, Unlikely) returns to the autobiographical work that first made his reputation. In A Matter of Life, Jeffrey Brown draws upon memories of three generations of Brown men: himself, his minister father, and his preschooler son Oscar. Weaving through time, passing through the quiet suburbs and colorful cities of the midwest, their stories slowly assemble into a kaleidoscopic answer to the big questions: matters of life and death, family and faith, and the search for something beyond oneself.

A year-long journey by the renowned psychiatrist and his writer wife after her terminal diagnosis, as they reflect on how to love and live without regret. Internationally acclaimed psychiatrist and author Irvin Yalom devoted his career to counseling those suffering from anxiety and grief. But never had he faced the need to counsel himself until his wife, esteemed feminist author Marilyn Yalom, was diagnosed with cancer. In A Matter of Death and Life, Marilyn and Irv share how they took on profound new struggles: Marilyn to die a good death, Irv to live on without her. In alternating accounts of their last months together and Irv's first months alone, they offer us a rare window into facing mortality and coping with the loss of one's beloved. The Yaloms had numerous blessings—a loving family, a Palo Alto home under a magnificent valley oak, a large circle of friends, avid readers around the world, and a long, fulfilling marriage—but they faced death as we all do. With the wisdom of those who have thought deeply, and the familiar warmth of teenage sweethearts who've grown up together, they investigate universal questions of intimacy, love, and grief. Informed by two lifetimes of experience, A Matter of Death and Life is an openhearted offering to anyone seeking support, solace, and a meaningful life.

Spiritual medium and healer Rosemary Altea touched the lives of millions with her New York Times bestseller *The Eagle and the Rose*. In this classic work, Altea described how she discovered her gift, and recounted the miraculous experiences she had in her early years of connecting the living with the dead. In *A Matter of Life and Death*, she shares inspiring new stories of working with her spirit guide, Grey Eagle, to help sick and troubled people heal, to help people recognize their true path in life, or to help people find peace in reuniting with departed loved ones. Born and raised in England, from the time she was a young girl Rosemary Altea heard voices and had visions of people who had died. But feeling threatened by her mother, the young Rosemary kept silent about the strange, menacing faces she saw in the dark. In the 1970s, now in her mid-thirties with a ten-year-old daughter of her own, Rosemary was abandoned by her husband. Nearing rock bottom emotionally, she began to nurture her spiritual gifts. She claims it was her spirit guide Grey Eagle who advised her to publish her first book, *The Eagle and the Rose*. Even as the world has come to accept—even revere—people who have the ability to communicate with the dead, with various mediums gracing the bestseller list and with such television shows as *The Medium* and *Ghost Whisperer* high in the ratings, in recent years Rosemary Altea has had to struggle to realize the transformational power of her work. From defending her integrity as a medium in a vicious lawsuit to coping with the loss of a friend who was very close to her heart, now Altea brings us *A Matter of Life and Death*, detailing a new chapter in her rich personal history as she recounts story after story of remarkable encounters with the spirit world—encounters that will amaze and inspire Altea's millions of fans.

Marital troubles? Sick of life? Suicide the answer? Why not get yourself a contract killer? Nothing easier, provided you communicate only by phone and box number. You give him your photograph, specify when and in which cafe to find you, then sit back and prepare to die. Murdered, you will be of greater interest than ever you were in life. More to him than met the eye will be the judgment. A mysterious killing lives long in the popular memory. As with Raskolnikov in *Crime and Punishment*, so with our hero: meticulous planning, nothing left to chance. Nothing, beyond that chance is not predictable. Raskolnikov, intending to kill one, kills two, and our hero suddenly wants to live. The setting for this intriguing tale is a snowy Kiev as immediate as Simenon's Paris and Conan Doyle's London.
