Adab al-q??? is the title of several works that treat the institution and discipline of judgeship in Muslim societies. The adab al-q??? texts discuss subjects like the qualifications, appointment, and removal of a q???; court procedure; the relationship between a q??? and a ruler; and, particularly, the manners and etiquette of judgeship.

This study analyzes the elements of legal borrowing and exchange between Twelver and Shafiite jurists through a legal genre known as “adab al-qadi,” or “The Judge’s Protocol,” which has been mined by modern scholars as sources for laws of procedure. However, this overwhelming focus on the elements of practical law and the genre’s concerns for evidentiary standards and burdens of proof has overlooked the sophisticated discussions found in these texts regarding the processes
