Art and adolescence : teaching art at the secondary level ...

Philosopher and art historian Arthur Danto says that in the 1960's art died because everything and anything could be art. (Andy Warhol, again!) A pile of scrap metal on a floor or a rancid hunk of lard on a chair can today be spoken of and sold as art (fetching a lot more money than a Waldorf teacher sees).

Art and Craft Therapy Activities | Teaching Resources

Arts and crafts can be a great way to include cross-curricular activities in the English language classroom. Students can incorporate drama skills using masks they have made for role plays. They can use their knowledge of geography to make flag posters. Printing images found on the Internet for displays calls on students' computer skills.

Art education 's physical resources—studios, kilns, editing software, darkrooms, woodshops, and peers—are no longer accessible and have been replaced with corporate-style telepresence.

Teaching Art Online During COVID-19: Professors Share ...

Divided into three parts, the book examines the theory and practice of teaching Art and Design: part one explores how teachers can frame their own knowledge for classroom practice; part two focuses on Art and Design in the classroom and curriculum development as well as aspects of pedagogy and lesson design, evaluation and assessment; and, part three focuses on the teachers themselves and how they can view and work on professional development within their own subject area.

Understanding Art Education (Teaching School Subjects 11 ...

The art making process is healing and helps adolescents develop and learn through non-threatening and creative activities. A therapeutic program should offer a safe and enjoyable sensory experience that helps create a calm and regulated state for the adolescent; this in turn often helps them open up and express their feelings.
