Beneath the Underdog–Wikipedia

Bass player extraordinaire Charles Mingus, who died in 1979, is one of the essential composers in the history of jazz, and Beneath the Underdog, his celebrated, wild, funny, demonic, anguished, shocking, and profoundly moving memoir, is the greatest autobiography ever written by a jazz musician.

Beneath the Underdog: Amazon.co.uk: Mingus, Charles---

A book of earnest erotica posing as a jazz memoir, Beneath the Underdog chronicles Mingus' childhood and early career as a lover and a pimp with nary of a mention of the music into which he poured his more worthwhile thoughts. Mingus' book is funny and touching at times, but it's also very repetitive (Who can keep all the women straight?)

Beneath the Underdog by Charles Mingus–AbeBooks

Charles Mingus Jr. was an American jazz double bassist, pianist, composer and bandleader. A major proponent of collective improvisation, he is considered to be one of the greatest jazz musicians and composers in history, with a career spanning three decades and collaborations with other jazz legends such as Louis Armstrong, Duke Ellington, Charlie Parker, Dizzy Gillespie, Dannie Richmond, and Herbie Hancock. Mingus' compositions continue to be played by contemporary musicians ranging from the re

In His Own Words—Charles Mingus

In 1971 Mingus was awarded the Slee Chair of Music and spent a semester teaching composition at the State University of New York at Buffalo. In the same year his autobiography, Beneath the Underdog, was published by Knopf. In 1972 it appeared in a Bantam paperback and was reissued after his death, in 1980, by Viking/Penguin and again by Pantheon Books, in 1991.

Charles Mingus–Wikipedia

The legendary jazzman recounts his life and career, from his childhood in Watts and his apprenticeship with jazz musicians, to his recordings with Duke Ellington and others, and more

Bass player extraordinaire Charles Mingus, who died in 1979, is one of the essential composers in the history of jazz, and Beneath the Underdog, his celebrated, wild, funny, demonic, anguished, shocking and profoundly moving memoir, is the greatest autobiography ever written by a jazz musician. It tells of his God-haunted childhood in Watts during the 1920s and 1930s; his outcast adolescent years; his apprenticeship, not only with jazzmen but also with pimps, hookers, junkies, and hoodlums; and his golden years in New York City with such legendary figures as Duke Ellington, Lionel Hampton, Miles Davis, Charlie Parker, and Dizzy Gillespie. Here is Mingus in his own words, from shabby roadhouses to fabulous estates, from the psychiatric wards of Bellevue to worlds of mysticism and solitude, but for all his travels never straying too far, always returning to music.

Nearly four decades after his death, Charles Mingus Jr. remains one of the least understood and most recognized jazz composers and musicians of our time. Mingus's ideas about music, racial identity, and masculinity—as well as those of other individuals in his circle, like Celia Mingus, Hazel Scott, and Joni Mitchell—challenged jazz itself as a model of freedom, inclusion, creativity, and emotional expressivity. Drawing on archival records, published memoirs, and previously conducted interviews, *The Kind of Man I Am* uses Mingus as a lens through which to craft a gendered cultural history of postwar jazz culture. This book challenges the persisting narrative of Mingus as jazz's "Angry Man" by examining the ways the language of emotion has been used in jazz as shorthand for competing ideas about masculinity, authenticity, performance, and authority.

"This biography traces the output of jazz master Charles Mingus--his recordings, his compositions, and his writings--highlighting key moments in his life and musicians who influenced him and were influenced by him. As a young man, Mingus played with Louis Armstrong as well as with Kid Ory. Mingus also played in bands led by Duke Ellington, Charlie Parker, Lionel Hampton, Red Norvo, Art Tatum, and many others. He began leading his own bands in New York City in 1955. Eric Dolphy, Rahsaan Roland Kirk, Jimmy Knepper, Jackie McLean, Toshiko Akiyoshi, Cat Anderson, and Jaki Byard are among the many distinguished jazz artists who made music with Mingus during the 1950s, 1960s, and 1970s. In addition to leaving behind a large collection of compelling recordings by large and small units, Mingus was also a talented writer. His autobiography, *Beneath the Underdog: His World Composed* by Mingus, is unlike any other book by a major jazz artist. Mingus creates vivid portraits of the many people who passed through his life and tells his story with compelling prose. Mingus also wrote a good deal of poetry and prose, all of it reflecting his unique vision. In 1977 he was diagnosed with amyotrophic lateral sclerosis. After several months of steady deterioration, he died in 1979 in Mexico"--Provided by publisher.

Collects in-depth interviews with the jazz great, revealing how he saw himself as a performer, how he viewed his peers and predecessors, how he created his extraordinary music, and how he looked at race.

It would be no exaggeration to call Charles Mingus the greatest bass player in the history of jazz; indeed, some might even regard it as understatement, for the hurricane power of his work as a composer, teacher, band leader, and iconoclast reached far beyond jazz while remaining true to its heritage in the music of Duke Ellington, Charlie Parker, and Thelonious Monk. In this new biography Brian Priestley has written a masterly study of Mingus's dynamic career from the early years in Swing, to the escapades of the Bebop era, through his musical maturity in the '50s when he directed a band that redefined collective improvisation in jazz. Woven in with exacting assessments of Mingus's artistic legacy is the story of his volatile, unpredictable, sometimes dangerous personality. The book views Mingus as a black artist increasingly politicized by his situation, but also unreliable as a witness to his own persecution. Capturing him in all his furious contradictions--passionate, cool, revolutionary but with a keen sense of tradition--Brian Priestley has produced what can be called, again without exaggeration, the best biography of a jazz musician we have ever seen.

Two friends of the late jazz musician and composer relate their memories of him as their guide in the flamboyent literary art world of the Eisenhower/Kennedy era, and as an abiding presence in their lives

Drawing on new interviews and previously untapped letters and archival materials, this potent portait of the legenday jazz bassist and composer probes his tempestous personal life and volcanic temperament, as well as his artistic inspiration from the tough, racially mixed Watts neighborhood of his youth to the artistic ferment of postwar Greenwich Village.

A comprehensive profile of the enigmatic jazz pianist and composer offers insight into his origins, his early musical career, and the mid-twentieth-century cultural upheavals that shaped his personal and creative life.
