The Bosch Nexxt 500Plus washer is very quiet, saves energy and gets laundry very clean. It does have a couple of shortcomings that are a frequent nuisance. A digital display reads out a supposed time for completion of whatever wash cycle is in operation, but that readout sometimes does not accurately indicate time remaining.

I purchased a Bosch Nexxt 500 Series Dryer and a 100 Series Washer. I will never purchase another Bosch product again. I have followed all manufacturer's instructions concerning the proper operation of both products. The washer leaves the clothes a tangled mess and sometimes does not spin the water out correctly.

I have had the Bosch Nexxt 500 model washing machine for about a month now. I do not recommend this washer. I bought this model because it is supposed to be extremely energy efficient and eco friendly, along with many washing and spinning options that the traditional top loading washing machine doesn't have.
