Ernest Hemingway, Zadie Smith, Joan Didion, Franz Kafka, David Foster Wallace, and more. In *In Process*, acclaimed journalist Sarah Stodola examines the creative methods of literature's most transformative figures. Each chapter contains a mini biography of one of the world's most lauded authors, focused solely on his or her writing process. Unlike how-to books that preach writing techniques or rules, *In Process* puts the true methods of writers on display in their most captivating incarnation: within the context of the lives from which they sprang. Drawn from both existing material and original research and interviews, Stodola brings to light the fascinating, unique, and illuminating techniques behind these literary behemoths.

A collection of touching, humorous, and practical writings explores literature and the art of writing with contributions from Russell Banks, Saul Bellow, E. L. Doctorow, Richard Ford, Carl Hiaasen, Alice Hoffman, John Updike, and many others. Reprint. 17,500 first printing.

"Fantastic . . . an honest, beautifully detailed book and an entertaining read." –DIANA GABALDON, THE WASHINGTON POST "A fantastical treat." –PEOPLE "Simultaneously sweeping and intricate . . . Tompkins's amazing debut novel conjures an epic battle for the soul of Ireland. Filled with papal machination and royal intrigue, magic and mayhem, faeries, Vikings, legates, kings and queens, angels and goddesses, this is one wild and breathless ride." –KAREN JOY FOWLER "Plundering the treasure chest of human myths, from mysterious biblical giants to ferocious Celtic faeries, Tompkins has created a fantasy adventure with the shifting perspectives of dreamscape. A novel rich and strange." –GERALDINE BROOKS What became of magic in the world? Who needed to do away with it, and for what reasons? Drawing on myth, legend, fairy tales, and Biblical mysteries, *The Last Days of Magic* brilliantly imagines answers to these questions, sweeping us back to a world where humans and magical beings co-exist as they had for centuries. Aisling, a goddess in human form, was born to rule both domains and—with her twin, Anya—unite the Celts with the powerful faeries of the Middle Kingdom. But within medieval Ireland interests are divided, and far from its shores greater forces are mustering. Both England and Rome have a stake in driving magic from the Emerald Isle. Jordan, the Vatican commander tasked with vanquishing the remnants of otherworldly creatures from a disenchanting Europe, has built a career on such plots. But increasingly he finds himself torn between duty and his desire to understand the magic that has been forbidden. As kings prepare, exorcists gather, and divisions widen between the warring clans of Ireland, Aisling and Jordan must come to terms with powers given and withheld, while a world that can still foster magic hangs in the balance. Loyalties are tested, betrayals sown, and the coming war will have repercussions that ripple centuries later, in today's world—and in particular for a young graduate student named Sara Hill. *The Last Days of Magic* introduces us to unforgettable characters who grapple with quests for power, human frailty, and the longing for knowledge that has been made taboo. Mark Tompkins has crafted a remarkable tale—a feat of world-building that poses astonishing and resonant answers to epic questions.

'A comprehensive, well-written and beautifully organized book on publishing articles in the humanities and social sciences that will help its readers write forward with a first-rate guide as good company.'

director of the UCLA Center for the Study of Women Wendy Laura Belcher's *Writing Your Journal Article in Twelve Weeks: A Guide to Academic Publishing Success* is a revolutionary approach to enabling academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields. Each week, readers learn a particular feature of strong articles and work on revising theirs accordingly. At the end of twelve weeks, they send their article to a journal. This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles.

"*Literature: Reading to Write* "masterfully weaves together critical thinking skills, writing, and reading instruction through the use of writing prompts, literary selections, and intriguing discussion points. The book helps you transition from being an active reader to a critical writer through a series of reading prompts and unique writing exercises. This process helps you find meaning in a broader context by forging connections between literature and your personal experiences. The book includes an eclectic array of classic and contemporary voices in literature, as well as sections devoted to newer genres, such as graphic novels. This interactive approach develops the knowledge and confidence you need to write in your own voice and to produce research papers and essays that are thought-provoking, engaging, and authentic. "*Literature: Reading to Write* "includes features designed to focus on reading, critical thinking, and research writing. Reading - A diverse, four-genre assortment of readings, handpicked by professors, includes a variety of authors, such as Susan Glaspell, Tim O'Brien, and Lucille Clifton. - Shorter mini-chapters introduce you to the writing/reading process and highlight newer, appealing genres, such as comedy, horror, music, film, graphic novels, and experimental literature. - Integrated writing instruction is broken down into a step-by-step process that analyzes each chapter reading. Critical Thinking - Biographical and contextual boxes are strategically placed next to selections to illustrate historical and literary meaning. - In a feature called Comparing Themes, you are asked to compare the same theme in various works to develop your skills in comparative analysis. - Three critical casebooks demonstrate argumentative and interpretive writing for each genre. Writing - Model student papers appear in every chapter in Part II (Writing in Response to Literature) to show progress in mastering and demonstrating the various writing skills. - Part IV on Research Writing comprehensively covers the entire research process from brainstorming to citing sources. - The book conforms to the MLA Guidelines that were updated in 2009.

Creating Writers: 6 Traits, Process, Workshop, and Literature, 6/e, truly puts the six traits of writing in context, showing how they are best taught—within writing workshop and as a way of enriching writing process by combining the elements of traits, literature, workshop, and process. Written by the

pioneer of 6-trait writing, this edition organizes all materials by trait, features new one-page writing guides, and offers an increased emphasis on literature, connecting writing to reading as never before. It also provides a clear link between the six traits and the Common Core Standards for Writing and presents new lessons, engaging classroom activities, suggestions for using technology, and an expanded collection of student writing sure to promote lively discussions. New to the Sixth Edition: Easy-to-follow organizational design groups all papers, writing guides, literature, and lessons pertaining to a given trait in one chapter. Expanded discussion of writing workshop and process (Chapter 2) shows how to teach the six writing traits within a meaningful context. Increased emphasis on literature truly connects reading and writing with more titles, expanded annotations, and a list of exemplary trade books ideal for teaching informational writing. New one-page writing guides simplify assessment, encourage self-evaluation, and display traits in a flexible yet consistent way across a variety of formats, including Teacher Writing Guides, Informational Writing Guides, Early Guides (for primary writers), and Leap-the-River Writing Guides for Students. Improved collection of student writing samples includes over 80 exemplary samples that span a variety of grade levels, abilities, and genres (such as narrative, informational, and persuasive). New lessons that emphasize modeling show teachers how and what to model (including many examples of revision). Clear links between the six traits and the Common Core Standards for Writing provide teachers assurance that their instruction is in alignment with these standards. An extensive discussion of technology (Chapter 8) expands our twenty-first century definition of writing to include communication forms like PowerPoint, audio, and video. Revised chapter on quality assessment (Chapter 12) details ways to make both large-scale and classroom writing assessment more quality-driven, student-centered, and useful. A closer look at genre (Chapter 9) examines Purpose and Audience, showing how and why genre might be considered an additional trait of successful writing. Expanded interactive Questions & Activities expand teachers' skills, stimulate their thinking, and build a strong sense of community when used in a study group or teacher preparation classroom. New Author's Notes throughout the text speak directly to readers, citing additional resources, and suggesting lesson adaptations, book recommendations, and ways of differentiating instruction.
