Progress Book  
Longman's New Concept English by L. G. Alexander is a popular English language textbook teaching the British rules of English. The course was first published on October 30, 1967. A revised edition, which was "specifically prepared for Chinese learners", came out in 1997. The course consists of four components: The Students' Book The Teacher's Book A set of cassettes, on which the multi-purpose texts have been recorded. Another set of cassettes, on which Repetition drill in the Teacher's Book has
