Lavishly illustrated with full-colour digital photography, this is the inside story of the car designed to replace the iconic Porsche 911.

In the past the 924 was often underrated, but nowadays enthusiasts appreciate the car's performance, build quality, practicality and affordability. This book records the full history of the 924, including motorsport, from inception until the end of production.

This is the complete guide to finding the best available example of the classic front-engined Porsche 944. Insight from real ownership experience is coupled with unparalleled technical knowledge, resulting in the first dedicated guidebook for potential buyers of the Porsche 944. A comprehensive guide, including an inspection checklist that buyers can use when viewing a car, photos of key areas to check, and known issues for each model, and an overview of key specifications and potential upgrades. Market and value data are also supplied to help give an idea of what a specific Porsche 944 is worth. From whether a Porsche 944 is a suitable car for you, to the cost considerations to be taken into account when searching for and viewing a used model, the authors' aim to arm the prospective buyer with enough knowledge and insight to be able to view a used Porsche 944, and quickly assess its quality, before considering whether to make a purchase. Take the first step towards finding your dream car, by reading this guide today.

This book covers the full history of the Porsche 928, looking at the variants sold on the domestic, American, British, Australian and Japanese markets, from the time the car was launched in 1977 until the last one was built in 1995.

A small investment in this book could save you a fortune. With the aid of this book's step-by-step expert guidance, you'll discover all you need to know about the 928 you want to buy. A unique point system will help you to place the car's value in relation to condition. This is an important investment-don't buy a car without this book's help.

The definitive history of the internationally popular Porsche 944, including motorsport. Includes expert guidance on buying a 944, and contains over 190 illustrations, mainly in colour, acquired with the full assistance of Porsche.

"This richly illustrated book offers a complete history of Porsche. The book focuses on the engineering and design stories while paying homage to key players. Beautiful, contemporary photos and rare historical images accompany in-depth analyses of milestone cars and events"--

The 924 Carrera was a homologation model built to qualify the 924 model to race in Group 4. One of the great supercars of the 1980s, the 924 Carrera was considered by many to have better handling characteristics than Porsche's flagship 911. The book features interviews with many of those involved with the car at the time together with race stories, statistics, and a unique exposé of component failures during racing.

Having this book in your pocket is just like having a real marque expert by your side. Benefit from the author's years of real ownership experience, learn how to spot a bad car quickly, and how to assess a promising one like a professional. Get the right car at the right price!
