The Management Myth: Debunking
Modern Business Philosophy ...

After having read the book, I ask myself which modern business philosophy has been debunked in the book. It is more or less an overall attack on (some) management theories and it is a very poor one. There is a lot of smattering, half knowledge and one-sided presentation about the facts.

The Management Myth: Debunking
Modern Business Philosophy ...

Stewart's analysis of modern management theory is devastating. Business schools (and MBAs) come in for a particular drubbing: he considers them to be little better than a means by which corporations can recruit bright graduates who are burning to make a lot of money.
