The vital skills children need to achieve their full potential! Being organized. Staying focused. Controlling impulses and emotions. These are some of the basic executive functioning (EF) skills children need to function and succeed as they grow. But what can you do if your child is struggling with one or all of these skills? With this hands-on guide, you'll learn what EF difficulties look like and how you can help your child overcome these challenges. Psychologist Rebecca Branstetter teaches you how to help improve the executive functions,

what to do next. With The  
Conscious Parent's Guide to  
ADHD, you will learn how to  
take a relationship-centered  
approach to parenting that  
engages your child and  
ensures that he succeeds  
behaviorally, socially, and  
cognitively. Conscious  
parenting is about being  
present with your child and  
taking the time to  
understand how to help him  
flourish. By practicing this  
mindful method, you can  
support your child  
emotionally and help nurture  
his development. With this  
all-in-one guide, you can  
create a plan that not only  
addresses the challenges a  
child with ADHD faces, but
