~~"Forever was something we all took for
granted, but the problem with forever was
that it really didn't exist." I picked The
Problem with Forever with quite an
expectations. Jennifer L. Armentrout was one
of my fav authors. I've read almost every
book of her. But yet this book was .. just
not for me.~~

Mallory was unlike any character I'd ever written, but as I realized at the end of the book, there is a bit of "Mouse" in all of us. So there are several people I need to thank who believed in this story and helped bring the book together.

The Problem with Forever is a young adult contemporary romance novel by Jennifer L. Armentrout. Published in 2016 by Harlequin Teen, the plot centers around a young girl who must face her own fears and find her voice if she wants to help the boy she loves with his troubled past. The book won the 2017 RITA Award for a Young Adult Romance.

~~The Problem with Forever Summary | SuperSummary~~

Review of "The Problem with Forever" by Jennifer L. Armentrout. Posted on 02/22/2017 by rhapsodyinbooks. This book for young adults begins with Mallory and Rider growing up in the same foster home in the Baltimore area with two very abusive parents. Rider, while only six months older than Mallory, always acted as her protector: hiding her, advising her not to make a sound, and taking the blows that otherwise might have landed on Mallory.

of storytelling to places she's not yet explored while still delivering a sizzling romance with off-the-charts chemistry. Tender moments accentuate the tragic underpinning from which the protagonists' lives have been built from—a past riddled with abuse, days ...

~~Review — The Problem With Forevery by Jennifer L. Armentrout~~

The Problem with Forever is a YA contemporary about self discovery with romance. Others would probably disagree with the order in which I labeled it. It is from the POV of Mallory "Mouse" Dodge. I would put this as young as 12-13 years old because it is very tame romantically but does bring up abuse and death.

~~The Problem with Forever by Jennifer L. Armentrout ...~~

The problem with forever is my favourite book. It talks about a girl called Mallory and a guy called Rider they all have problems to face. But will they face it or run away with it. 4.5? This book is different from the other stuff that JLA writes, but it's still her writing so of course I'm gonna like it.
